

Nothing sounds quite like Mango Groove

By  Martin Myers

23 Mar 2023

The exquisite dexterity of the pennywhistle, the big brass arrangements, the lashings of doo-wop harmonies and the thundering swing and gumboot rhythms. Feed into this a modern pop sensibility and front it with the inimitable and soaring voice of Claire Johnston, and the end result is a sound that is utterly distinctive and utterly unique.

Putting it simply, nothing sounds quite like Mango Groove!

We chat with special star Claire Johnston, ahead of the group's upcoming visit to Cape Town...
