

Promise Brand Specialists has been appointed to launch Unwired Magazine

Issued by [Promise Brand Specialists](#)

4 Oct 2006

Promise Brand Specialists has been appointed to launch Unwired Magazine, an IT Web publication that breaks through all tech-nonsense and opens the digital door to ordinary people.

The agency is creating a through-the-line campaign that includes highly effective marketing concepts, TV, BTL and a launch event to the trade.

- **Promise closes off successful year of growth and creative awards** 18 Dec 2023
- **Balancing AI and authenticity: The industry's tightrope walk** 14 Sep 2023
