"The thing that really drives us, is creating beautifully simple solutions for an increasingly complex world. We call this Brutal Simplicity of Thought. Having Dallas and Ernst in the team will allow us to bring the very best of digital innovation and creative leadership to our clients in pursuit of this purpose," explains Gordon Ray, Founding Partner & Executive Creative Director

"Ultimately, our goal is to become one of the most creative companies on the African Continent. So we are incredibly excited to have such dynamic digital leaders joining our ever growing group of companies", says Mike Abel, Founding Partner and Chief Executive.

The independent global advertising network, M&C Saatchi, was established in 1995, when Maurice and Charles Saatchi left the agency they first founded, Saatchi & Saatchi. It is the largest independent agency network in the world with 26 offices globally. The M&C Saatchi Group (South Africa) comprises six separate companies, one of which is M&C Saatchi Abel, already regarded as one of the most influential agencies in South Africa.
