The annual Cape Town HOMEMAKERS Expo, on from 30 August to 2 September at the CTICC, is the Western Cape's most trusted exhibition for everything décor, design, lifestyle and DIY – *for real homes*. Whether your interest is in what's trending in home improvement, enhancing your outdoor living space, refreshing your interiors or creating a beautiful kitchen or bathroom, we bring the best industry experts together under one roof.

Packed with inspirational ideas and features, including highlights such as the *tuis* | home theatre, *INTERIOR* spaces, *d'VINE* life, *truly ARTISAN*, Tafelberg AV Emporium, WODC Concrete Workshop, for the love of *CONCRETE* Design and Art Competitions, and The Concrete Shop, the expo will offer everything your heart desires for your home and garden projects.

The *tuis* | *home theatre* will be back in action. Watch the Home | Tuis experts as they present hands-on DIY, home makeover and foodie workshops... your practical guide to beautiful living.

The *INTERIOR* spaces feature area will show how trendsetting interior gurus create their ultimate space – showing off bespoke décor, fabrics and cutting edge design.

One of visitors' favourites - *d'VINE* life – where local is *lekker*, will again be the place for avid foodies to taste artisanal gourmet treats, find out more about the latest food fads, the best wines the Cape has to offer, as well as handcrafted beer and gins.

A collection of functional and decorative handcraft in *truly ARTISAN* - skillfully made by local artisans – will range from homeware, ceramics and leather goods to design, art and custom jewellery.

Experience a whole new world in the very latest Audio and Visual technology at the *Tafelberg AV Emporium*, showcasing the best in digital infotainment and appliances.

The *WODC Concrete Workshop* is a new addition to the expo, offering a creative space for craftsmen, makers and designers to engage with visitors and demonstrate the many uses of concrete. Look out for the daily programme.

Back by popular demand, the *for the love of CONCRETE Design and Art Competitions* will see designers and artists battle it out for a whopping R36,000 in prize monies. The Design Competition will feature functional concrete design, whereas the Art Competition will be a visual expression of all things art – both using concrete as a medium. The top entries in both categories will be on display and visitors will be invited to bid on their favourite design or artwork, with funds raised going to DARG (Domestic Animal Rescue Group).
