

Juta's Annual Labour Law Update

Issued by [Juta and Company](#)

10 Nov 2020

Each year, South African labour law shifts and evolves in interesting and complex ways. For labour law and HR practitioners, missing a change or misunderstanding the impact of a development could cost time, money, or reputational harm.

The banner features the JUTA AND COMPANY (PTY) LTD logo in the top right. On the left, a black triangle with green dots contains the text '20th ANNIVERSARY COMPETITION' and 'FREE! 12-MONTH Legalbrief Workplace subscription 2020 Labour Law Update eBook'. The main text reads 'Juta's Annual Labour Law Update 2020' with '2020' in a blue box. Below this, it says 'COVID-19 Aftermath and Employment Law Recording' and 'Juta's Annual Labour Law Webinar 1 December'. A black bar at the top right says 'WIN A JUTASTAT EVOLVE EMPLOYMENT LAW SUBSCRIPTION VALUED AT R23,380'. A bottom bar mentions 'A SABPP accredited live desktop conference' and 'Earn up to 8 CPD points'. The names 'John Grogan • Puke Maserumule • Avinash Govindjee' are listed at the bottom.

In a special **Covid-19 Aftermath and Employment law** two-hour recorded webinar, our panel of renowned experts outline the core employment issues arising from Covid-19, cover the practical application of key principles and provide a current survey of statutory developments and important case law.

Juta's 20th Annual Labour Law Update 2020 will deliver a practical analysis of current developments in all the critical areas of labour law via ten mini webinar recordings, which delegates can engage with at their own pace in preparation for the live webinar. The live webinar on 1 December will cover key legislative and case law developments and trends and policy shifts that have directly impacted the workplace, drawing on emerging cases. Our panel will also focus on highlights from the mini videos.

Delegates are invited to submit their burning questions prior to the 1 December live event for comprehensive coverage during an interactive question and answer panel discussion.

Unrivalled reference material and added benefits

Have your burning questions answered
