Dawn Rowlands, CEO for dentsu Africa, said: "In 2010 we saw the possibility of a truly African network. With one client and a vision we charted a journey, that today we can all be proud of. These wins are a result of the radical collaboration between us regionally and our clients. Having teams that understand what it takes to create African solutions for African challenges, has paid dividends far beyond what we imagined when we began this journey in 2010. But this is just the beginning."
