

Style Tech Architectural Display Solutions

Issued by [Rocket Creative Design & Display](#)

1 Sep 2010

Rocket Creative is thrilled to launch their striking new range of turn-key, kit-based display solutions that will be marketed to the industry as **Style Tech Architectural Display Solutions**, which are poised to revolutionise the presentation and display industry.

The introductory range comprises of 14 units in a variety of sizes, specifically engineered to fulfil a host of presentation applications. Kits are supplied in a modular format for effortless installation and mobility. The structural solution blends a technologically innovative base element with a proven, industry leading modular aluminium display system. The stylish structure

is then accessorised with top quality printed elements and functional brochure dispensers, to deliver a clients' brand identity and communication literature in a uniquely captivating aesthetic style.

Dalene Paton, National Sales Manager for the Style Tech brand explains, "With the Style Tech range we are firmly determined to lead the industry with creative innovations that are borne from a constant research and development approach, and a tenacious quest to offer the most unique, practical and cost effective solutions to an industry always in pursuit of fresh ideas that demonstrate trend setting creativity."

The Style Tech range is available to the both the corporate end user as well as re-seller market, distributed via Rocket Creative.
