

Thirst in the news

Issued by [Thirst Bar Services](#)

15 May 2012

Thirst Bar Services seems to be everywhere at the moment; with winter approaching, thirst doesn't seem to be slowing down.

Taste Festival Cape Town 2012

Thirst was in charge of running no less than 10 stands at this year's Taste of Cape Town. As per usual challenge, Thirst met the challenge head-on in a hugely successful show which included Thirst's very own "margarita market" in conjunction with Patron tequila. Visitors could choose their own fruit and then have the Thirst mixologists make them their very own margarita with different varieties of Patron's premium tequila range. Chocolate shot glasses were used for shots of coffee Patron Xo and this also proved to be a massive hit with over 500 hundred shots being sold in less than three days. A big thank you to all the brands that entrusted us with making their stand's premium.

Danny K Wedding

South African pop singer Danny K tied the knot last month at Lourensford wine estate in Somerset West, Cape Town. Over 300 people attended this lavish affair and of course South Africa's premium bar service was there to ensure all guests were treated to tasty cocktails, premium coffee bars and excellent service. Look out for pictures of the wedding in the latest edition of *YOU* magazine.

Sandton Skye launch

Thirst launched their new Saturn bar units at Lynn Estates. Thirst's bars were branded with the New York sky-line and looked amazing. The Saturn bars are five metres in diameter, can fit up to eight bar tenders in it; the branding is printed on cloth and re usable. The "bar" has definitely been raised once again by South Africa's premium bar service.

Jack Daniels Tennessee Village at Harley Davidson's Africa bike week

Thirst Durban in association with Jack Daniels helped host over 150 000 motor cycle enthusiasts in a massive street festival. The event was an amazing experience for everyone involved. Look out for Fridays done Jack's way at a bar near you across South Africa.

Thirst Party JHB

Last but not least, Thirst hosted their very own party in JHB, with a host of top DJ's and entertainment as well as South Africa's legendary premium bar service hosting this event. Over 500 people attended the festivities, the response was tremendous, a great time was had by everyone. Thanks to all who supported our party and everyone else who has been so loyal to Thirst over the last six years and we hope to carry on making events a premium experience for many more years to come.
