

Business Partners to fund Triggerfish films

Business Partners Venture Fund will fund the development of the first two of five films from the Cape Town animation studios, Triggerfish, following its success with *Adventures in Zambezia* (Sony International Acquisitions) and *Khumba* (Millennium Entertainment).

Two of the films announced to go into development include 'Here be Monsters' and 'Seal Team' (working titles).

Triggerfish aims to release one film a year starting in 2016 and although the stories so far have been set in Africa.
