

TV documentary on Samora Machel

Under the title "A Luta Continua", a 48-minute documentary on the late Mozambican president Samora Machel is being released by African Universal Media (AUM) to coincide with the 20th anniversary of Machel's death. A Luta Continua is Portuguese for "the struggle continues", an expression that was common in Samora Machel's speeches. Produced by Urban Brew Studios, this second production of AUM's marks the beginning of a programme adopted by AUM of producing non-commissioned documentaries on various subjects on the African continent.
