

COA names Flint associate

Cape Town-based residential and commercial design firm, Craft of Architecture has appointed its senior architect, William Flint as an associate. Flint joined COA as a senior architect, three years ago, and has become invaluable to the company.

Flint holds a master's degree in architecture from the University of Edinburgh and is registered with the Royal Institute of British Architects and with the South African Council for the Architectural Profession. Before joining COA, Flint was employed as an associate director at Eldridge Smerin Architects in London and as a leading architect at Leon Saven Design in Cape Town.
