

Dream Hotels & Resorts acquires Zimbali Lodge

Dream Hotels & Resorts (DHR) has added the Zimbali Lodge, located within the Zimbali Coastal Resort along the KwaZulu-Natal North Coast, to its property portfolio. The takeover will also see DHR manage the Zimbali Vacation Club, strengthening the company's footprint within the KwaZulu-Natal province and bringing the total number of properties within its portfolio to 21.

The lodge is located 50 km north of Durban and it is a five-minute drive from Ballito. DHR will take over the management of the lodge from 1 December.
