

Cornerstone OnDemand announces EMEA growth surge

Cornerstone OnDemand announced that the EMEA region gained a near record-breaking number of new clients during the third quarter of 2018.

The Cornerstone Recruiting Suite experienced 30% growth in the number of EMEA recruiting clients year-on-year. There was also continued uptake of Cornerstone HR (CHR), with Cornerstone more than doubling the number of CHR clients through 30 September relative to the prior year.
