

OneCart partners with HP Store, Exclusive Books

OneCart has partnered with HP Store and Exclusive Books as part of its expansion beyond groceries into new product ranges. The partner allows customers to add inks and toners from the HP Store and the full range of books and stationery from Exclusive books to their OneCart basket, as well as food, beverages, and other household goods.

OneCart offers shopping from various stores on one platform with two-hour delivery, one delivery fee, and a single transaction and partners with malls and retailers for convenient and same-day deliveries.
