

## #DesignIndaba2018: Interview with Lonny van Ryswyck

Bizcommunity chats to Lonny van Ryswyck, a teacher at Design Academy Eindhoven and one half of the duo that leads the Netherlands' Atelier NL Design Studio, about her involvement with Design Indaba 2018.

Lonny speaks about diminishing natural resources and showcases her gifts that she made from sand of the Theewaterkloof dam and transforming them into beautiful glass ornaments for the Indaba speakers.
