

Netxactics opens office in PE

Security solutions provider, Netxactics, has announced that as of September this year it will extend its presence through the Eastern Cape region with the opening of a branch office in Port Elizabeth.

The operation will be headed up by newly-appointed Dominique le Roy, who will be responsible for all sales and marketing initiatives. The Port Elizabeth branch will operate as an extension of Netxactics' existing office in Cape Town, but now offer products, services and support to a key area of the Eastern Cape region.
