

IFS Partner Networks acquires two new channel partners

Enterprise applications company, IFS Partner Network has acquired Kgosi Informatics and iNENSA as its new channel partners to expand growth in sub-Saharan Africa. Together, the companies will provide customers with enterprise resource planning (ERP), enterprise asset management (EAM) and enterprise service management (ESM) solutions. Consultants from both Kgosi Informatics and iNENSA will be certified through the IFS Academy - the official IFS training and certification program.
