

SABC 3, Stella Artois on the look out for SA's next *Taste Master*

In association with Stella Artois, SABC 3 has launched a new reality show with the aim of finding *Afternoon Express*'s new resident chef. *The Taste Master* will test the expertise of culinary professionals, in the country, through a series of tasks.

Chefs, listen up! Your task, should you accept it is to record a video of yourself saying why you would be perfect for the role of taste master. Upload it onto Twitter or Instagram with the hashtags #TheTasteMasterSA and #StartWithASTella.

The closing date for entries is midnight on 22 October 2019.
