

Facebook releases '2019 Year in Review' for sub-Saharan Africa

Facebook's '2019 Year in Review' looks at some of its investments across sub-Saharan in 2019.

#FB@15: Inside Facebook's 4 Cs for innovation

Elouise Kelly 23 Jul 2019

During 2019, Facebook Africa:

- Trained over 7,000 woman-owned businesses in digital skills across sub-Saharan Africa
- Celebrated 79 Community Leadership Circle meet-ups with over 2 ,650 people attending
- Reached its 45th Developer Circle, with circles now in 17 African countries and representing more than 70,000 members
- Hosted the first-ever iD8 Nairobi Conference with over 400 African developers and startups in attendance
- Expanded Third-Party Fact-Checking across 10 African countries
- Announced the creation of the world's most detailed population density maps of Africa, created by Facebook AI researchers to help humanitarian aid and relief agencies
