

An even more rewarding gym workout

This summer, new members of health club group Planet Fitness will receive R5 cash back for every visit to a Planet Fitness club and existing members who train regularly will be automatically entered into a competition with prizes ranging from a Seadoo jet ski through to beach holiday vouchers. Members will be able to claim their incentive savings at the end of the promotion or exchange it for any of the value-added in-house services offered, including Planet Play, Body for Life and Planet Splash.
