Through his role at The Bomb Shelter Film Company, he was known for creating shows with strong social issue storylines such as *Zone 14*, *Gaz’Lam’*, and *For Love and Broken Bones*.

Department of sport, arts and culture Minister Zizi Kodwa sent out their condolences.

"Teboho Mahlatsi's work highlighted the multidimensional nature of life in democratic SA. He showed the beauty and vulnerabilities that come with the mixture of cultures in South African life. His works such as *Yizo Yizo*, *Zone-14* and the many advertisements and films, gave an authentic, hard-hitting, yet relatable account of South African communities," he said.

Here are some of the social media tributes:
