

Radio Awards' "My Station" category is now open to the public

The "My Station" listener's choice category of South Africa's 13th annual Radio Awards is now open for public voting. Listeners can vote for their favourite radio station and win R40,000 in cash.

Two prestigious awards will be given based on public votes: the "Most Votes" award for the station with the highest number of online votes and the "Most Loyal Listeners" award for the station with the highest votes relative to its listenership.

Voting is open until 27 September 2023 and participants can cast multiple votes online. The Radio Awards seek to honour excellence in the South African radio industry and encourage listeners to engage on social media using hashtags #MyStationCompetition and #SARadioAwards.
