

GoodLuck, The Kiffness and more to usher in 2021 via livestream

To mark the end of this year, GoodLuck, The Kiffness, Craig Lucas, Majozi and Acoustic Element will be ushering in 2021 via livestream on 31 December 2020.

Get Lucky Summer will be setting up a big outdoor stage with full show FX, production and lighting and will be coming to you live from an outdoor field in Cape Town. To make sure you don't miss it, KFM DJ Carl Wastie will be counting down until midnight.

Moreover, 20% of all ticket sales will go the local Garden Route suppliers and crew who have lost out on all their income with the closure of events in the region as well as Get Lucky Summer's cleaning staff, security team, medics and toilet and fencing partners.

Tickets are available for purchase via [Howler](#).
