

See: MiWay donates food parcels to 600 families in Gauteng

Insurance company MiWay worked together with its staff to provide 600 food parcels to families in Lenasia, Tembisa and Soweto in response to the Nelson Mandela Foundation's call "for us all to take action to end poverty". See the gallery below:

The beneficiaries were identified by three schools - Moletsane High School (Soweto), Harmony Primary (Lenasia) and Bonwelong Primary (Tembisa) - who are all part of MiWay's CSI programme, the MiHeart Project.
